
The image features a central black rectangular box with a white border containing a quote. Surrounding this box are several detailed black and white illustrations of ornate chalices. Each chalice has a wide, flared cup with intricate floral or scrollwork patterns, a decorative stem, and a three-legged base. The chalices are positioned at various angles: one at the top left, one at the top center, one at the top right, one on the left side, one on the right side, one at the bottom left, one at the bottom center, and one at the bottom right.

"A MOTHER IS A CHALICE, THE
VESSEL WITHOUT WHICH NO
HUMAN BEING HAS EVER BEEN
BORN. SHE IS CREATED TO BE A
LIFE-BEARER, COOPERATING
WITH HER HUSBAND AND WITH
GOD IN THE MAKING OF A
CHILD."

ELISABETH ELLIOT

"The influence of a mother upon the lives of her children cannot be measured. They know and absorb her example and attitudes when it comes to questions of honesty, temperance, kindness and industry."

BILLY GRAHAM

"Only God
Himself fully
appreciates the
influence of a
Christian
mother in the
molding of
character in
her children."

BILLY GRAHAM

"A mother's relationship with her child is one that will encompass a lifetime. How blessed is a child who has that anchor of strength and support."

SALLY CLARKSON

What is a godly mother?

A godly mother is one
who loves the Lord her
God with all her heart,
soul, mind and strength
and then passionately,
consistently and
unrelentingly teaches her
child to do the same.

ELIZABETH GEORGE

Motherhood is a million little
moments that God weaves
together with grace,
redemption, laughter, tears and,
most of all, love.

Lysa TerKeurst

Children are not a

distraction from more

important work. They are

the most important work.

CS Lewis

Homemaking is surely in reality the most important job in the world. What do ships, railways, mines, cars, government, etc exist for, except that people may be fed, warmed and safe in their own homes? The homemaker's job is one for which all others exist.

CS Lewis

*I don't believe there are
devils enough in hell to
pull a boy out of the
arms of a godly mother.*

~

Billy Sunday

The background is a vibrant red color. It is decorated with several heart shapes and scribbles in various shades of pink and light red. Some hearts are solid, some are outlines, and some are filled with a scribbled texture. The hearts vary in size and style, creating a romantic and affectionate atmosphere.

The heart of a
mother is a deep
abyss at the
bottom of which
you will always
find forgiveness.

Honoré de Balzac

CHARLES H. SPURGEON

You are as much serving God in looking after your own children, training them up in God's fear, minding the house, and making your household a church for God as you would be if you had been called to lead an army to battle for the Lord of hosts.

"The power of a mother's prayers with all her children kneeling around is far greater than any public ministry."

CHARLES H. SPURGEON
